

ELITE
SPREADER

ELITE SPREADER

PREPARE

Know your lawn size before beginning. Read and follow all Directions for Use on label of product that you are applying.

FILL

Fill spreader over driveway. Clean up any spilled product.

SET

Turn dial to correct setting. See Elite Spreader settings on instruction booklet or scotts.com.

GO

To apply, begin walking and squeeze trigger. Release at turns. Walk briskly (4 ft/s), making each pass 6ft. from previous.

To keep product off non-lawn areas, slide lever to activate **EdgeGuard®** Landscape Protection System.

EdgeGuard®
ON/ACTIVE
(3' controlled spread)

EdgeGuard®
OFF/INACTIVE
(6' broadcast spread)
